CAREER CATALYST WORKSHOP REPORT

DATE: 25 JANUARY 2025

VENUE: RCCG VHL

INTRODUCTION

The Career Catalyst Workshop, held at RCCG Victory House London, on Saturday, 25th January 2025 was a resounding success. This workshop was designed to empower participants from the church and the community to explore diverse pathways to employment, the workshop aimed to provide valuable insights and actionable guidance on **apprenticeships, internships, contracting, permanent roles, and volunteering**. This initiative reflects the church's commitment to equipping its members with practical tools for career development and personal growth.

ATTENDANCE

The workshop saw an impressive turnout, with a total of 107 attendees from across three congregations:

Victory House London: 51 attendees

Dream Church: 26 attendees

ALIVE Church: 30 attendees

KEY HIGHLIGHTS

- 1. Informative Sessions:** Attendees benefited from insightful presentations and discussions led by experienced professionals in the field. Topics included:
 - Navigating career transitions
 - Leveraging apprenticeships and internships
 - Strategies for successful contracting and securing permanent roles.
 - The value of volunteering as a pathway to employment
- 2. Interactive Engagement:** Participants actively engaged in Q&A sessions and practical workshops, gaining tailored advice and resources to support their career journeys.

3. **Networking Opportunities:** The event fostered meaningful connections among attendees and facilitators, creating a supportive community for ongoing career support.

NEXT STEPS

To build on the success of this event, the following actions are recommended:

- Plan and schedule biannual Career Catalyst Workshops to meet the expressed demand.
- Develop follow-up resources, such as career guides or mentoring programs, to support participants year-round.

CONCLUSION

The Career Catalyst Workshop was a significant step in empowering members to explore and pursue diverse employment opportunities. With strong attendance, enthusiastic participation, and valuable feedback, this event has set a solid foundation for future initiatives aimed at career development and community support.
